

SRI LANKA NATURAL HISTORY SOCIETY

SLNHS Public Lecture 2019 #3

MARINE STINGERS

**Venomous marine animals,
their stings and what to do
if injured**

**Presented by
Malik Fernando**

The talk will focus on a variety of marine creatures capable of stinging humans, as well as non-stingers, the results of stings, first aid measures and other treatment.

Dr. Malik Fernando is a retired medical practitioner, diver and underwater naturalist. He has photographed and studied animals that pose a hazard to swimmers, divers and other users of the sea.

Monday - 29th July - 6.30 pm

Auditorium of the Organisation of Professional Associations (OPA),
275/75, Prof. Stanley Wijesundara Mawatha, Colombo, 7

All are welcome - entrance free
