

# SRI LANKA NATURAL HISTORY SOCIETY

## SLNHS Public Lecture 2020 #3

### GREEN CHAT WITH RJ HIDDEN TREASURES

By

Ravishka Jayasuriya

An environmental enthusiast and naturalist, RJ is still a student. He impressed all at the recent Diyasaru Walk with his knowledge.

He will speak about the plant kingdom, particularly the little-known lower plants—mosses, liverworts, ferns etc— and the more evolved carnivorous plants.

The carnivorous sundew
