SLNHS Meeting 2018 #7

Food habits of ancient humans in Sri Lanka – the Archaeological evidence by Sankha Randenikumara

How did the hunter become a hunter-gatherer? What would have been the origin of agriculture in Sri Lanka? How did our ancestors pave the way to civilization? Evidence emerging from recent archaeological excavations...

Dr. Randenikumara is a practicing medical practitioner whose hobby is archaeology. The talk is based on excavations he has participated in.

**Monday - 17th
September -
5.30pm**

Maths Department
Auditorium
Colombo University

Main Building (Upstairs). If entry from Reid Avenue, the building is on the right, with a paved car park.

All are welcome - entrance free
