

SRI LANKA NATURAL HISTORY SOCIETY

SLNHS Public Lecture 2019 #2

Jellyfish of Sri Lanka

by Dileepa de Croos and Krishan Karunaratne

The talk will be about the diversity of jellyfish in Sri Lanka. The speakers are the first Sri Lankans to perform a formal study of these animals. They have reported one new species collected in SL coastal waters.

Dr. Dileepa de Croos is Snr. Lecturer, Department of Aquaculture & Fisheries, Faculty of Livestock, Fisheries and Nutrition, Wayamba University.

Mr. Krishan Karunaratne is a post-graduate researcher at the same University.

Monday - 18th March - 5.30pm

Chemistry Lecture Theatre,
Colombo University.

All are welcome - entrance free
